Information about the Fort Mill Care Center

The **Fort Mill Care Center** is a non-profit organization run 100% by non-paid volunteer staff.

The Care Center was incorporated in 1987 by the Fort Mill Ministerial Association in order to manage the many requests for family aid from members of the Fort Mill community. Our major emphasis is helping families who find themselves in need of basic necessities. If we cannot provide adequate assistance, we try to provide counsel, or guidance to other agencies that can help.

WHAT THEY DO:

The Fort Mill Care Center is more than a food pantry. In addition to providing food, personal hygiene and household cleaning supplies, we also assist with utilities, prescriptions and emergency dental for the residents of Fort Mill and Tega Cay, South Carolina.

HOW THEY ARE FUNDED:

We are generously funded through donations from individuals, businesses, churches, youth groups, and community organizations.

The families that are chosen for the Angel Tree have been vetted by staff from the center.
